

IDAHO AIRSTREAM CLUB

a word from our president

The nights are cooler and days are shorter. Ah! Fall has arrived. Perhaps a few of you, like me, are thinking of putting your Airstream to bed for winter. My wife, Marilyn, and I have one more trip to the Sun Valley Jazz and Music Festival October 17th where we will join the Airstream Rally and be volunteers at the Opera House. We will dry camp on that trip then winterize our trailer.

Our Airstream furnaces got a good workout at our recent and highly successful City of Rocks Rally. A big thank you to the Braces and the Davidsons for planning a beautiful weekend of delicious food, hikes, tours, awesome scenery and camaraderie with outstanding entertainment. Thank you Fonny! When they did the scouting trip in July, it was in the 100-degree heat. Our appreciation goes out to the Burkes for stepping in when the Braces had a major change of plans. A number of us enjoyed the hikes with the guide and got to see some amazing scenery on the California Trail here in Idaho. The visit to the town of Albion was a very pleasant day. Before we left on Sunday, we drove up to the top of the pass in City of Rocks. We saw many, many climbers and had to be on our toes with all of the traffic. Folks come here from all over the world to hike and climb. I am especially happy to have learned about another corner of beautiful Idaho.

The Trailing of the Sheep Rally starts October 11th. If you want to attend, there is parking at River Run Lodge in Ketchum. Call me and I will arrange a parking pass for you. 208-322-8155. If you go to Sun Valley for either rally, please note that we have been urged to get an early flu shot by our volunteer coordinator, as many were sick last year. This is not a bad plan as there will be big crowds.

At the Club board meeting October 9th, Earl Brace was invited for a Q & A to assist with the transition of treasurer. Other topics discussed: plans for the upcoming audit of our books, prepaid campsite funding, possible buddy system for new members, storage unit check-out and preferred charities. We selected to donate to Idaho Food Bank and Boise Rescue Mission. We still need to fill the position of Safety Person to educate us at breakfasts, rallies and possibly in the newsletter. Volunteers?

Just a few notes about the Harvest Dinner at Louie's in Meridian on November 10th: All Idaho Airstream Club members are invited. Fill out your coupon (on Page 12) and send in ASAP as we need an early head count. We have some very nice door prizes to give out and if anyone would like to donate a prize please contact me ahead of time. As is our tradition, Airstreamers have famously given back to the community. I plan to bring my checkbook and contribute to the 2 charities selected for the Harvest Dinner. I hope you will too!

**Ron Jessick &
Sandy Maack**

from Coeur d'Alene, ID

Tell us about your family... We move around too much to have a pet. Maybe when we get too old to travel. We have a moose that has been hanging around our yard for a few weeks now. And the deer have eaten all our pears and most of the apples. :) Ron has two children. His daughter is in the Idaho National Guard. She is a member of the Boise team and was deployed to Iraq for a year and half. His son lives in San Diego and works for the arena contractor, involved with special events. Sandy has a daughter, 4 grandkids and 1 great-grand daughter who's 2 years old and a great-grandson due in February 2019. All live in Spokane.

Tell us how you two met... Sandy was working for the State of Washington, Employment Security in Colville, WA promoting and enrolling kids into Job Corps at the Curlew Job Corps Center. Ron was teaching Aviation Sciences at Spokane Community College and referred good candidates to the Navy flight school. The Navy wanted us to know what they had to offer so we would refer more potential candidates. We bumped into each other on a nuclear sub in the bay. Can't say it was love at first sight!

How long have you been WBCCI members? We joined at a Thanksgiving rally at Lake Pleasant, north of Phoenix, AZ during November 2014. Sandy's birthday was on Thanksgiving day and we all had a great time eating roast turkey with all the fixins and birthday cake. There was a very diverse group attending and they made us feel very welcome.

What kind of Airstream do you have? Other trailers? Right now we own a 2015, 25 foot International CCD. We like it and have found it to be about the right size. Our first Airstream was a 2006 Interstate. We both liked the convenience of the motorhome but it just got too small. We bought a 2006, 23 foot International CCD. The bed was too small and we didn't like the "wet bath", so bought this 25 foot on the way home from International Rally in Farmington, NM. We parked across from Bill and Sharon Lawrence.

Why did you join the Idaho club as affiliates/who asked you? Mim asked us to join as well as Sharon and Bill Lawrence.

What is the most interesting place you've visited? We attended Region 11 IBT at Casa Grande, Arizona a few years ago. One of the original Navaho code talkers came and spoke to us about his experiences before, during and after the war. His grandson was a National Champion hoop dancer. It was something we had never seen before and a really outstanding presentation.

Any places we haven't gone that you would recommend to others? We are so lucky that there is so much to see and do nearby. We love hot springs. Would go to every one of them.

Besides traveling in your Airstream, what are your hobbies/interests? Ron is working on finishing his airplane. It is a Maule M5-235. It takes both of us to do lots of the remaining work. He drafts anyone standing nearby. We try to make our trips to Arizona and back an adventure. We will be in Arizona by Halloween and not return until May, so will see you all then.

SEPTEMBER RALLY RE-CAP

by Mim Davidson, Rally Host

WOW! What a rally! Twenty Airstreams from the Idaho and Wasatch Units gathered at the Smokey Mountain Campground outside Almo, Idaho. The weather was nearly perfect (the flies were a bit intense...) We shared food, and laughter, and enjoyed Airstream life!

Five of us met east of Boise to trek together. When we stopped for fuel near Declo, we were able to each get a bay. I couldn't resist the photo!

It was exciting to watch as more families arrived and the campground filled with silver!

We woke to a beautiful Friday morning – with no water in the faucets. (Some of us knew this on Thursday night, so didn't get a good night's sleep.) It turned out the auto refill on the water tank was broken. Staff started refilling it, and we had plenty of water the rest of the weekend. Note to self: Remember to put water in the fresh tank before you leave home...

Our plans for the day took us away from the campground. We learned more about the area at the Visitor's Center, then headed to Albion to learn about that community and tour the Albion State Normal School.

Albion was once the Cassia county seat. The Normal School was established in 1893 to train teachers. It closed in 1951 when the state focused on other colleges and universities. Several Airstreamers found that family members once attended the school. Beautiful buildings still stand on the property. While most are now used for haunted house tours, they are being protected and repaired. One dorm is beautifully restored and can be reserved for family reunions, etc.

(continued on Page 7)

SEPTEMBER RALLY RE-CAP

(continued from Page 6)

Saturday morning was again beautiful. One group headed to a hike on the Geological Interpretive Trail inside the City of Rocks. A guide book explained many of the sights along the trail.

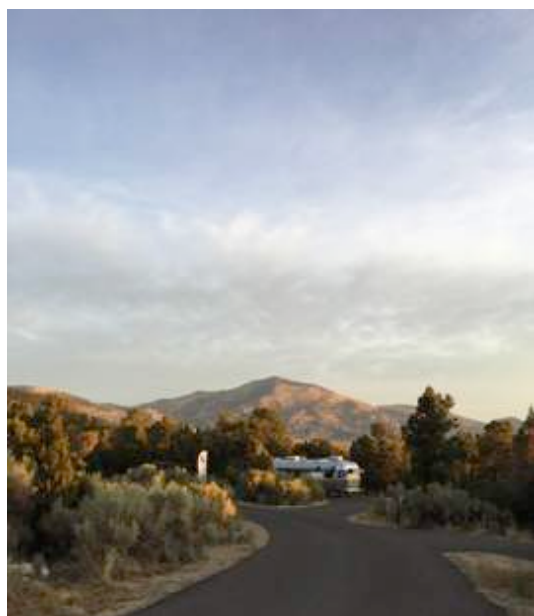

Another group hiked the Castle Rocks State Park, Backyard Boulder trail. Roberta Andruska, a climbing ranger and Airstream owner, joined us with her daughter in a backpack. She pointed out various rock formations and provided insight about the area.

Saturday evening's dinner was Texas-style provided by Piggy Sue BBQ from Albion. Delicious pork ribs, slabs of brisket, homemade coleslaw and potato salad filled our tummies! It was topped by warm peach cobbler. After hunger was resolved, Fonny pulled out his tenor guitar and provided a concert of some of his favorite songs.

We said goodbye to many families on Sunday. Some of us drove

into the City to see Camp Rock and the pioneers' fading names. We viewed the Twin Sisters – giant rocks sitting close together, but different types of stone from vastly different eras.

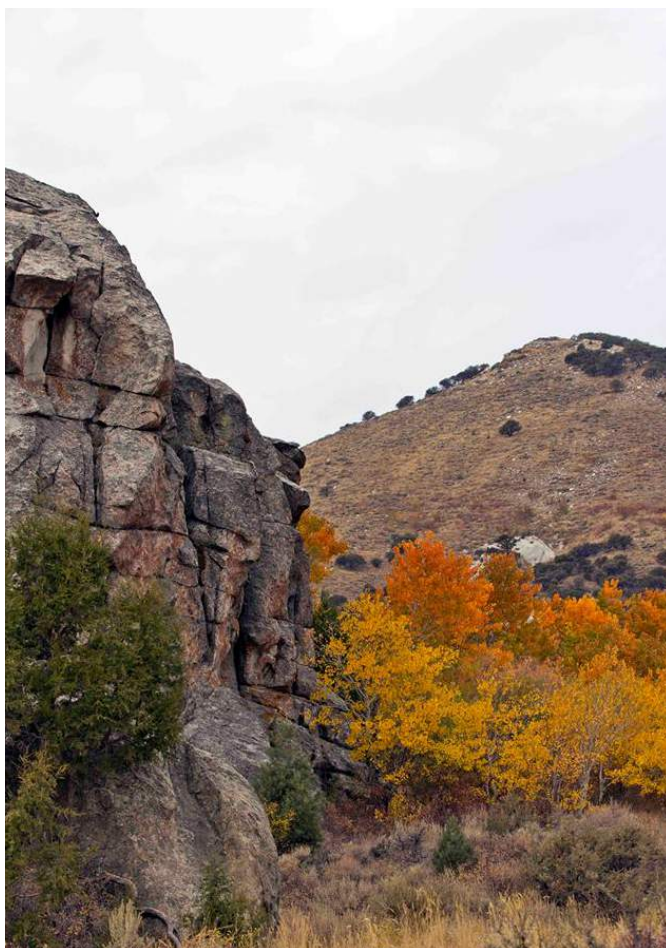

What a weekend! It was great to share with members from the Wasatch Unit! Idaho and Wasatch each gained new affiliate members as friendships developed. Airstreaming!!

Cruisin' the Oregon Coast Caravan

The Idaho Airstream Club is sponsoring a **2019** numbered caravan along the entire 364-mile stretch of the Oregon Coast by way of Highway 101. Members of the caravan will meet in Portland on September 10th for a welcoming dinner and will end the adventure in Brookings on September 26th. Caravan leaders are Jerry and Linda Settle and Darrell and Maureen Ostyn.

A tour and lunch is scheduled at the **Ultimate Airstream** facility the following day in Portland. Then the caravan will travel to the most northerly point of Oregon, Astoria, for a three-night venture which will include tours of **Fort Stevens** and **Fort Clatsop**, the wintering site of Lewis and Clark. Possible "You're on your own" (YOYO) activities include the Astoria Column, the Columbia Maritime Museum, and the Lewis and Clark Interpretive Center.

From Astoria, members will see spectacular coastal ranges, ocean views from numerous overlooks and day parks, and small resort towns-Seaside, Cannon Beach, and Manzanita. They will have opportunities to see the Tillamook Cheese Factory (ice cream) and the World War II Air Museum on the way to Lincoln City.

At Lincoln City and Newport an **Alder Glass Blowing** factory tour is scheduled, as well as tours of **Yaquina Head Lighthouse**, the **Hatfield Marine Science Center**, and the nearby **Oregon Coast Aquarium**. (YOYO) excursions could include factory outlets, Cape Perpetua scenic area and the Heceta Head Lighthouse, the Newport Bay front, Nye Beach, and the Sea Lion Caves.

The caravan will then travel to the Coos Bay/ Charleston area for a **Spinner's Reel and Dune Buggy Tour** and visit beautiful Shore Acres and the Cape Arago State Park area. A Dutch oven cookout is planned, followed by an evening, just steps away, on the sandy beach of **Sunset Bay**. You'll experience a most spectacular sunset of the ocean and sea cliffs.

The last leg of our trip will bring us to undoubtedly the most dramatic and rugged part of coastal Oregon. Rocky shores and majestic sea-cliffs line much of the coast on this stretch. Small islands and sea stacks---rocky monoliths, embedded in the ocean floor, dot the shoreline invoking such names as Lookout Rock, Battle Rock, and Face Rock.

Our last stop will be in Brookings where the group will board **Jerry's Rogue Jet Boats** and explore the Rogue River along the historic mail route. They will return to a campfire dinner at the Harris Beach Campground. For YOYO time, some members will have the chance to visit Brookings Harbor and Marina, the Azalea Gardens, the public library to see the 400 year old Samurai sword given as a peace offering by the WWII Japanese pilot for his attack of incendiary bombs, or sneak into the redwood area of California to the Trees of Mystery.

The Farewell Dinner will be held in the town of Brookings.

The scheduled caravan will offer individual time to explore personal interests, sample various sea foods, and enjoy the coastal air, sounds, and beauty. Most of all, the caravan will let us all experience and create lasting memories of this scenic coastal region with our Airstream friends. **(see Coupon on Page 15)**
