## IDAHO AIRSTREAM CLUB

a word from our president

The Idaho Airstream Club just finished our first of the season Breakout Rally in Baker City, Oregon. The weather was pretty good for this time of the year but late Saturday a cold front came in with 30+ mph winds which changed our outdoor activities. We can't complain because the scenery was beautiful with the snowcapped Blue Mountains near us. As we were all hooking up to leave on Sunday, you could see that a number of the tall mountains did get a dusting of the white stuff overnight. Thanks to our hosts' efforts, we were so fortunate to have a nice indoor meeting room at the site that was available to us throughout the weekend.

Our rally had a very good turnout with 14 trailers present including many new folks attending their very first rally with the club. We initiated 8 new members: Rob Centeno & Carrie Cook, Roger & Tracy Staats, Rich Doering & Linda Dixon, Lance & Vicki Taylor. We are very proud to have you in our club! We had a snowbird couple on their way home, an Oregon Unit member and 3 couples who drove up for the day on Sunday to attend our meeting plus the dedicated others. We are so lucky to have musical talent in our group and were serenaded by Fonny Davidson and new member, Carrie Cook. Thank you!

On Sunday, we held an Executive Board Meeting and then a General Membership Meeting. Our treasurer, Larry Conn, reported that our annual audit had been completed by Calvin Huit and Lester Schmidt and electronic sign-up for rallies will be an option that will be ready soon. Our 1st Vice President, Bill Sargent, was named Chairman of the Nominating

Committee and will be recruiting candidates to run for board positions in our August election and rally in Glenns Ferry, ID. Also Bill will talk with folks about joining committees as needed. We reviewed the list of International Nominees for office then voted unanimously, approving the full list for the term of Summer 2019 to Summer 2020. All members had a chance to vote through email or in person at our meeting.

Betty Burke agreed to represent our Unit at the Delegates Meeting in July at the International Rally in Doswell, VA. Marilyn Collins agreed to be our alternate. Charlie Burke will be our Idaho Unit flag bearer at International. A big thanks to all three of you for taking on the responsibility. Safe travels as you journey to Virginia. Our General Business Meeting minutes will be posted on our website by our webmaster, Michael Schanze at <a href="https://idaho.airstreamclub.net">https://idaho.airstreamclub.net</a>.

Our next rally is in Bend, OR on May 16-20, 2019. A caravan is being organized by the Davidsons from Boise to Bend if you'd like to join. Hope to see all of you there. A big thanks to Larry & Gail Conn and Marilyn Usselman for making the Breakout Rally a success.

# Membership News

from Mim Davidson, Membership Chair

#### Membership Numbers: 97 total

- 61 live in the Treasure Valley area, including McCall and Garden Valley.
- 3 members live in Oregon or western Washington.
- 15 live in Twin Falls and the eastern part of the state.
- 9 live north of White Bird as well as eastern Washington.
- We have 9 affiliate members. These folks are also members of one or more other Airstream units. A benefit of Affiliate membership is the ability to better know about another group's activities. Our affiliate members hail from Utah, Oregon, Washington and Alberta, Canada.

A member recently told us that belonging to the Idaho Airstream Club took him out of his zip code – and that is important to him. With members spread so wide, look at all our opportunities to explore!

I hope to see you down the road! Mim Davidson, #30657 Membership Chair

# UNIT FLAGS STILL AVAILABLE

Just a reminder that we still have quite a few new Idaho Unit flags available for purchase. The cost is \$58. Please contact Pete Goedeking at (208) 891-9083 by call or text if you are interested in purchasing one.

# SUNSHINE REPORT

Per our Sunshine gal, Marilyn, there is nothing new to report since the last newsletter.

NOTE: If you know of any of our members who may be "under the weather" or need a little comfort, please contact Marilyn Usselman so that the appropriate wishes can be made and cards sent. Either call Marilyn at (208) 863-2926 or email her at usselmanm@hotmail.com.

Tell us about your family (including 4-legged members)... We have three adult kids and eight grandchildren. We also have two Bichon pups.

Tell us how you two met...

We met when I brought an airplane to Boise for the US Forest Service.

How long have you been members? We joined in 2018, but have been connected with the club since I opened the Airstream store in Nampa and the BBQs at Bodily RV.

You're newer members, and already stepped up to both be Trustees...THANK YOU! What made you say yes? We saw a need and decided to assist. We think that if we are going to be a part of the club we will do what we can to help.

What kind of Airstream do you have? Have you ever owned any other trailers/Airstreams? We have a 1999 Safari. Until we bought this Airstream we would take whatever unit we wanted off the lot. Didn't see the need to buy one. When I left the RV business we knew the only RV for us would be an Airstream.

Why did you join/who asked you to join the club? We joined for the camaraderie.

What have been your favorite trips/rallies as a part of the club? We particularly liked the Riggins/Pollock trip last year.

What is the most interesting place you've visited (can be a "field trip" experience that was part of a rally) as part of a trip/rally? The fish hatchery visit during the Riggins rally.

Any places that we haven't gone as a club that you would recommend to others? (campgrounds, parks, etc) Yellowstone Park is really a neat place!

Besides traveling in your Airstream, what are your hobbies/interests? Lynda & I love to garden. She especially likes the flowers and we both like the vegetable part of the garden. I'm also a flight instructor and build guns as a hobby for myself and friends. An, of course, Lynda loves to spoil the grandkids and our puppies.

### **AANW NEWS**

A warm Airstream welcome to Greg Moeller, who is the new parts manager for Airstream Adventures Northwest in Caldwell. He has been in the position since December of 2018.

### **GREG MOELLER**

Just a little bit about me! Originally a Southern California native, I have been in Idaho for 3 years. I moved out here to grow my family and be in a less populated area. I've been married for 11 years and have two beautiful, smart girls - Isabel (7 years) and Scarlet (2.5 years). We love camping, hiking, off roading, biking, boating and hanging with family. I do not have an Airstream yet, but when it is time I know where the best place is to get one!!

### A SAFETY TIP

### **RV TIRE TIP**

Here's a tip shared by Mim Davidson on the **Idaho Airstream WBCCI Facebook Page** (if you're on Facebook and not a member yet, you need to be!). This could also help you identify the manufactured date.

Use a piece of chalk rubbed over the raised lettering on your tires to see what your PSI number is. Take a photo of it and save it in a folder or write it down on the inside of a cabinet door in your trailer. Remember that this number is the limit the tire manufacturer puts on that tire and not always the number the tow vehicle manufacturer recommends for that particular vehicle. That number is on the inside of the driver's door. Always check tires when they're cold.

### **APRIL RALLY RECAP**

### by Gail Conn, Rally Host

It's that glorious time of year, spring is in full bloom and our Airstreams are out of storage! The first Rally of the season was April 25-28, in Baker City, Oregon. Tom and Marilyn Usselman were co-hosts with Larry and me. We had 13 rigs, 25 members and 6 fur kids, join us for a beautiful, sunny and a little windy weekend. We also had one member from the Oregon Unit and during this Rally, President Tom Usselman, inducted four new couples into the Idaho Unit.

Most of the group arrived at Mt. View RV Park on Thursday the 25th. The RV Park has an Oregon Trail themed meeting room which was available for our use the entire weekend. It was a great place for early morning coffee and conversation, Thursday night's potluck dinner & icebreaker trivia game, Friday night's Chili, BBQ grilled hot dogs and potluck side dishes & dessert, two casual musical gatherings and our Sunday business meeting.

On Friday morning we had a docent-led tour of Baker Heritage Museum. This museum is the former home of the Baker City Natatorium. It provides an exceptional documentation of local history, geology (the rock collection is amazing, especially when viewed in the secret black light

room!), Paint Your Wagon movie memorabilia including a scale model of No Name City and, of course, the Wally Byam exhibit. With local restaurants, a park and the RV Park all close by, lunch was on your own.

After lunch we regrouped at the Leo Adler House Museum, the restored 1889 Italianate-styled home of philanthropist, Leo Adler, for our second docent-led tour. The house is beautiful, her architecture stunning, then to find out the house is a time capsule from history is truly amazing! The house has original wallpaper, piano, clothing and household items, all testaments from the past that have been lovingly preserved.

Saturday we visited the National Historic Oregon Trail Interpretive Center. The center uses lifesize displays and films to tell the story of Oregon Trail pioneers, explorers, miners and settlers of the frontier west. This also includes remnants of the historic Flagstaff Gold Mine, actual ruts carved by pioneer wagons, several miles of interpretive trails and magnificent vistas of the historic

trail route. This exhibit did not glamorize life on the Oregon Trail. I am so thankful to travel in an Airstream! Saturday dinner was held at El Erradero Mexican Restaurant.

Sunday morning the Executive Board Meeting was held first, then the General Membership Meeting was held. Some of the items that were discussed included open Committee positions which include; Rally Coordinator, Sunshine, Safety and two Trustee positions. Following the business meeting, camp was broken up. After five months of not being on the road as a unit, it was a great start to the upcoming Rally Season.
